1208 Chico St. San Fransisco, Mabalacat

CAREER OBJECTIVE

Dedicated designer and developer looking to leverage graphic design artistry and technical front-end skills. I can see myself in a collaborative environment where I can flourish my creative range and contribute to the growth of a forward-thinking brand.

SKILLS

- User-Centric Mindset
- Attention to Detail
- Adaptability and Continuous Learning
- Creative Problem-Solving
- Time Management and Estimation

EXPERTISE & TOOLSETS

Web Development

UI/UX Design

Graphic Design

Motion Graphics

EDUCATION

Holy Angel University | Angeles City

Bachelor of Science in Information Technology specializing in Web Development

- Core Focus Areas: Advanced Dynamic Web Apps, Web SEO & Analytics, Systems Analysis & Design

EXPERIENCE & HISTORY

BB 88 Advertising & Digital Solutions Inc.

(Creative & UI/UX Design Intern)

Angeles City, Pampanga | July 2026 – October 2026

- Designed modern branding assets (logos, video ads, marketing collaterals) and revamped web UI/UX interfaces using Inkscape and CorelDRAW, to enhance visual appeal and user experience for partner brands.
- Conducted QA testing for mobile applications, performing detailed defect assessments and compiling structured feedback reports.

Academic Website Product (Project Leader)

Barangay Pandacaqui | January 2026 – April 2026

- Led the design and development for a custom event registration (for the locals) and queue management (for the barangay officials) platform.
- Employed the full extent of Angular technology and tools to provide secure data handling and real-time status tracking.

SEO Integration Project (Co-Lead Web Developer)

Maribel Antoco (Paramalan) | San Fernando | December 2025 – April 2026

- Co-managed the end-to-end development of the recent website for a local client, utilizing WordPress and Elementor to present a custom, high-performance digital presence.

CERTIFICATIONS

Responsive Web Design Certification (300 Hours)

freeCodeCamp | October 2026

- Core Focus Areas: Semantic HTML5, Modern CSS3, Flexbox & CSS Grid, Web Accessibility (a11y), Responsive UI Layouts
